Sirs

Judges Clerks find it difficult to contact attorneys and advocates when they are required to do so. It will therefore be appreciated if you can ask all your members to **indicate on all court papers** filed:-

1. The Name and Surname of the Attorney – Advocate involved in the matter;
2. The telephone number, fax number and e-mail address where the Attorney/Advocate can be contacted.

This must not be seen as a practice directive but merely as a request to you to make service delivery easier and quicker.

Regards
